Be a germ stopper at school! The CDC (Centers for Disease Control and Prevention) recommends the following actions and healthy habits to help prevent the Flu:

1. Get vaccinated.
2. Stay home when you are sick.
3. Cover your mouth and nose.
4. Avoid touching your eyes, nose or mouth.
5. Practice other good habits. (For example, clean and disinfect frequently, get plenty of sleep, **wash your hands**, and eat nutritious food.)

Building Report Card

The State Report Card reflects results from Kansas Statewide Assessments. You can access the state report card at the following link: <http://online.ksde.org/rcard/>.

Parents Right to Know

As a Title I school, It is a requirement that the district let parents know their rights regarding qualification information. This notification lets you, as parents know that you may request information regarding the professional qualifications of the student's classroom teachers, including at a minimum the following:

- Whether the teacher has met State Qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teachers are teaching under emergency or other provisional status through which State qualification or licensing have been waived;
- The baccalaureate degree major of the teachers and any other graduate certification or degree held by the teachers and the field of discipline of the certification or degree; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Parent Teacher Conference Checklist

- Talk to your child *BEFORE* the conference to find out what they love about school this year and to surface any concerns or issues
- Prepare a list of questions for the teacher such as:
 - What are my child's strengths in school this year?
 - What are my child's challenges?
 - Does my child participate in class?
 - Does my child seem happy at school and have quality friendships?
 - Does my child work well in groups?
 - Does my child seem rested, focused and ready to learn?
 - Does my child seem challenged by the classwork? If not, what can you do to keep him/her from being bored?
- Be on time (early)
- Turn off or silence your phone
- End the meeting on time (other parents might be waiting)
- Ask for specific examples or clarification of anything you don't understand
- Ask your child's teacher for ways you can support your child's education at home, including apps, workbooks, websites, etc.
- Ask if the teacher needs parent volunteer support with anything
- Don't forget to thank the teacher for all he or she does for your child!
