The third and fourth grade classes will be performing "Pirates! The Musical" on May 10 in the SCES gym.

There will be a 2:00 matinee and 7:00 evening performance.

**Fourth grade students** should wear pirate attire. This does not have to be anything fancy, but may be possible with things you already have at home. No toy weapons are allowed. You may find ideas on Pinterest or a simple Google search. If you cannot find anything at home, please let me know as soon as possible and I will find a simple costume that is suitable.

**Fourth grade students will need to bring their costumes to school Thursday morning, May 10,** as there will be a morning dress rehearsal before the afternoon matinee.

**Third grade students** are a part of the pirate chorus. They may either dress like a pirate or wear nice clothing. It is their choice.

The evening of the performance **fourth grade students** will report to their classrooms at **6:30** to put their costumes on.

**Third grade students** will report to their classrooms at **6:45**.

Students may be picked up in their classrooms after the program.

Thank you.
