FLU Season IS STILL HERE!!

We are being made aware of some cases of flu in the school and the community. The CDC recommends a 3-step approach:

1. Get a Flu Vaccine-It's not too late!
2. Stop the spread: wash hands often; avoid touching eyes, nose & mouth; clean frequently touched items; cover coughs & sneezes
3. Take antiviral medications if prescribed by your doctor

Like the Flu, Strep Throat, Stomach Bugs, and Head Lice can also be spread. To learn more about each of these and the flu refer to Nurse Niki's attached newsletter or the link below

<https://www.smores.com/pn17y>

The 3rd and 4th grade Music Program has been moved to April 30.
