Due to the unstable nature of our world as far as events go, I am asking that payment be brought to the first day of camp, and NOT sent in early.

As with all money obligations for the SCHS Band, communication is key. If the timetable for payment or any other issue comes up pertaining to this fee, contact Mrs. Janssen (ejanssen@usd466.org) and we can discuss options available. We want EVERY student to have the opportunity to enjoy this incredible experience and are willing to work with families to make that possible.
