COVID-19 Protocol

Golfers, Coaches and spectators please maintain social distancing at all times

We will follow the Hamilton County Covid-19 Protocol recommendations. At this time masks are not required but recommended. However USD 494 recommends masks be worn when social distancing is not possible.

Our driving range is wide enough for all teams to warm up and still properly social distance. Areas will be marked off for each team.

The practice green will be available for two teams at a time. It will be split in half. Below is the schedule for putting practice.

1:00-1:10 MST Syracuse/Scott City/Hugoton

1:10-1:20 MST Liberal/Colby/Garden City

1:20-1:30 MST Ulysses/Lakin/Oakley

1:30-1:40 MST Cimarron/Goodland

We will award medals outdoors, no contact ceremony at the conclusion of play.
