2020 Fall COVID Guidelines

These are the minimum guidelines that we will be following for **all home** activities. These guidelines are subject to changes based on federal/state or local requirements.

- All Events:
 - Essential personnel only on the field/court
 - No Pre or Post-game fan gatherings on the field/court or other places inside the school facilities.
 - Modified pre and post-game sportsmanship; no pre or post-game handshakes will take place
 - PreK-6th grade students must remain with their parent/adult guardian at the event.
 - Coaches are required to have temp checks for themselves and athletes done before they exit their bus or a school vehicle. They will provide this information to the home administration that is on-site.
 - The administration of the visiting school is also supposed to notify home school administration of arrival time.
- Indoor Events:
 - MCL Rule states: Masks are required to be worn inside the building by spectators at all times.
 - Social distancing as much as possible.
 - Spectators are asked to sit with their family unit in the stands.
 - Spectators are also asked to sit in the proper section (visitor and home)
- Outdoor Events:
 - Masks are highly recommended
 - We ask that everyone social distance as much as they can
 - Spectators are asked to sit with their family unit in the grandstands as well as in the proper section (visitor and home)
- Live Streaming:
 - Contracted streaming media will be streaming activities in both the HS gym and football stadium.

For away activities, we will follow the guidelines of the school hosting and share those guidelines with our patrons as they are shared with us.
